

HOW TO BUILD AN EMERGENCY KIT

Resilience begins with being prepared! When individuals and families have essential supplies on-hand, communities are better equipped to rebound quickly in the wake of emergencies. Use this guide as a checklist to ensure you have what you need for your home preparedness kit. Just in case.

HOME EDITION

7 MILLION

Homes that went without power after Hurricane Irma alone.

150,000

Homes were evacuated due to wildfires in 2017.

\$306 BILLION

Worth of destruction from natural disasters in 2017 alone.

Once power goes out, refrigerated food has 4 hours before it spoils.

FEMA recommends being prepared with 2 weeks of shelf stable food per person, plus a gallon of water per person, per day.

DON'T FORGET YOUR PETS!

HAVE A PLAN

- DECIDE WHERE TO MEET IF YOUR HOME IS NO LONGER SAFE
- KNOW AN ALTERNATE ROUTE TO REACH YOUR HOME
- HAVE A BACK-UP PLAN FOR COMMUNICATION
